YOUR GOOD LUCK.

It is your good luck to be situated conveniently near such a large and choice stock of goods as can be found at Saur & Balsley's; to have at your command a generous and carefully selected assortment lacking in none of its details and representing the most advanced ideas in quality. This fact runs through their mammoth stock, which is perhaps the largest to be found in northwestern Ohio.

Reasoning people say, who have investigated the subject, who have traded here, there and everywhere, who know by experience just what they are talking about, say that Saur & Balsley beats all their competitors as to quality, variety and prices of goods.

Having been encouraged by a grand success in business in Henry county for the past quarter of a century and over, Saur & Balsley have exerted themselves more than ever this season to please their large trade, and especially those looking up goods for the holidays. Therefore this holiday stock will be more attractive than ever, giving one an opportunity to buy holiday presents, both useful and ornamental, at exceedingly low prices.

Besides an endless variety of books and fancy stationery, pen holders, gold pens, etc., they have a large assortment of combs and brush trays, collar and cuff boxes, manicule trays, cut glass bottles, fancy china vases, shaving sets, fancy hand mirrors, albums, photo boxes, handkerchief and glove boxes; in fact everything in the latest celluloid novelties to make desirable gifts for Christmas and New Year.

Saur & Balsley are making great preparations for the holiday business, and Napoleon's greatest store offers unheard of inducements for your trade. Their goods have been marked at such alluring prices and at so great a saving of money to the public as has never been attempted in Henry county.

Their stock of paints, oils and brushes is always the largest, and their wall paper department is always kept up on the latest styles of paper and decorations. Come in and examine their styles and prices.
